

Complimentary Food, Drinks & Games!

Score Better Backups With Deduplication

[RSVP today](#) to join **Convergence Technology**, **Compellent** and **ExaGrid**, along with your fellow IT peers for a networking reception on **Thursday, Nov. 19th at 4:00 p.m. at ESPN Zone Baltimore**.

Join us for complimentary drinks and hors d'oeuvres and some fun games -- all while learning how disk backup with data deduplication can change the way you back up your data forever.

Why attend?

Learn why disk backup with data deduplication is the key to protecting your IT environment and achieving significant cost savings. While enjoying complimentary drinks and hors d'oeuvres, you'll learn how to:

Create the fastest backups for your IT environment, both locally and at secondary sites;

Achieve better storage utilization and scalability;

Automate the management of complex IT environments;

Speed recovery of virtual machines with instant restore capabilities;

Tailor existing IT solutions to meet your specific VMware backup requirements;
